

OSYS 2020 BIDDING INFORMATION

The OSYS is pleased to announce that we will be providing a hybrid bidding experience of online as well as on-site bidding. The OSYS is concerned with the health and welfare of members and sale attendees. The OSYS sale sites have limitations on the number of people able to attend on the sale day and having online bidding will allow for more people to participate in the sale without having to be physically at the sale site. Viewing days will be held the two days prior to the sale date which will permit interested purchasers to view consignments. An appointment is required to view yearlings on viewing days. Those purchasers who are not able to attend viewing days will be able to view consignments through online videos and pedigrees posted on www.ontarioselectyearlingsale.com. **You must be a registered bidder to attend the sale. Unfortunately, spectators will not be allowed.**
